Hi Pamitha,

I would be happy to add you to my distribution list, but you will be receiving the same information from Carolyn Levine, HQ Office of Congressional Affairs. We generally split notifications between local (staff) me and D.C. staff (Carolyn); however, there is some occasional overlap. Please let me know if you'd still like me to add you to my list.

Hi Rebecca,

I was just forwarded your email about the Sediment Sample Data and was hoping you could include me on future emails on this issue. Thanks in advance!

Have a great weekend!
